SUBJECTS.

Dewan's reply.—The repair of the road will be looked into. We recognise the importance of the bridges you ask for to make the main central road trafficable throughout.

Mr. Madhavan Valiathan requested—

297. *Vernacular High school at Thiruvella.*

(1) That a Vernacular High School might be opened at Thiruvella:

298. *Construction of canals, tanks and wells.*

(2) That canals, tanks and wells might be constructed in the Provertis of Nedumpram, Kaviyoor and Kadapra:

299. *Repair of roads.*

(3) That the village road from Mavelikara to Thiruvella might be repaired: and

(4) That the lane running from Pulikuzhi to Thalavadi might be converted into a village road.

Dewan.—It will be convenient if members of adjoining Taluks would previously consult and decide upon the subjects they should individually bring forward here. Now they are attacking the same roads and canals from both sides.

KARTIKAPALLI TALUK.

Mr. S. Krishna Aiyer enumerated his representations and said it would be enough if Government would kindly look into and dispose of them. They were:—

300. *Improvement of roads.*

(1) that the village roads from Keerikad to Haripad, from Haripad to Veeyapuram and from Pathiyoor to Muthukulom might be improved:

301. *Locks for Pathiyoor and Kartikapalli canals.*

(2) That the public roads from Haripad to Thrikkunnapuzha, Mavelikara and Kayankulam might be repaired and put in order:
